00966533850888 - 00966112423469

## Commercial water desalination plants

- Over 30 years of experience in reflected in our quality
- Manufactured in the KSA with American specifications
- Conservatively engineered for reliable, long term performance
- Factory tested to ensure trouble-free operation
- Heavy duty powder coated frame
- Stainless steel high pressure components, stainless steel pump
- Microprocessor controlled operation
